

Lyrics for CONSIDER THIS

Love of My Life

You know me very well, more than I know myself,
You know the frailness of my frame.
And still you show your love in measures deep and wide, the kindness of a King who saves
Lead me on Lord, towards the cross, I give myself to you
That I may know you more

You're the love of my life, your're the arms open wide
I know your presence is here in this place
Lord I surrender all that I am to the love of my life

Knowing my heart would fail, you made a way for me,
You died to set this captive free
In this you've shown your love, within my darkest hour
That's why my prayer will always be.
Lead me on Lord towards the cross, I give myself to you
That I may know you more

I'm Available to You

You gave me my hands to reach out to man, to show him your love, and your perfect plan
You gave me my ears, I can hear your voice so clear,
I can hear the cries of sinners, but can I wipe away their tears?
You gave me my voice to speak your Word, to sing all your praises, to those who've never heard
But with my eyes I see a need for more availability,
I see hearts that have been broken, so many people to be free

Lord I'm available to You
My will I will give you, I'll do what you say to do,
Use me Lord, to show someone the way, and enable me to say,
My storage is empty, and I am available to you.

Now I'm giving back to you all the tools you gave to me
My hands, my ears, my voice, my eyes so you can use them as you please
I have emptied out my cup, so that you can fill it up
Now I'm free I just want to be more available to you.

Only You

In these troubled times of fear and desperation
Where can people turn to find the peace we all need
When broken dreams, and broken promises are scattered everywhere
And broken hearts still continue to bleed
I know you're afraid to put your trust in Jesus
All the choices that you make, turn out to be wrong
Maybe you believe, that where you are is where you're meant to be
And all alone is the way you belong
But even in the darkest night, Jesus is a shining light,
Let Him touch your soul and lift you higher, than you've ever been before

Only you can make the final choice, with your heart and your voice
Just give your life to Jesus the Lord,
Only you can let Him wash away, all the pain you feel today,
There is so much He can do, and He's waiting for only you

You know that you can't refuse the promise of salvation
You've got nothing left to lose and so much to gain
He will wash away all the memories of what you used to be
And He'll give you life when you ask in His name
But even in the darkest night Jesus is a shining light
Let Him touch your soul and lift you higher than you've ever been before

Breathe On Me

In humble adoration, I kneel before your throne
In brokenness I seek your face alone
Above you there's no other, who's able to restore my soul
Come and make me whole

Breathe on me power of God come in and change me
You are all I need Holy Spirit breathe on me

I'm ready to surrender to give you all my life
No matter what the cost or sacrifice
Reveal to me your power, cleanse me from my pride always
Use me now I pray

I will say of the Lord He is my strong tower
My rock and my fortress in whom I trust
In times of the storm and in tribulation
He is my help and my salvation
Breath of God, restore my soul

Consider This

Consider this, that someone so great would love someone small
Consider this, the One who has everything still gave it all, even death on a cross
And at your throne we will sing

Holy, we will join the angels singing
Holy, holy to the Lord of glory
Holy, we will join the angels singing holy is the Lord

Consider this, that you would know me and still choose to love me
Consider this, that while we were sinners, you died for me, and now I am free
And at your throne, we will sing
At your throne, we will sing

And I will lift my hands in worship, Lord of all you deserve it, you are everything
Here's my offering
I will bow my head in worship Lord of all you deserve it,
I am broken I am yielded

This Hand I Hold

Moving all around me, is a love that makes me whole
And His hand is sometimes unseen, leaves fingerprints upon my soul
Beyond every reason, I see where I should go
Into a different season, and down that narrow road

This very hand I hold, it makes the wind obey
Chases my fear away, this very hand I hold
This very hand I hold, it put the stars in place
Reaches for my embrace, this very hand I hold

Tears have been no stranger, and pain has been no friend
His love has been my anchor, and brings me back again

This very hand I hold, it makes the mountains stand
It calms my trembling hand, this very hand I hold

In The Calm

In the calm of your presence, I am listening Lord
I am still, I am quiet, I am yours
In the calm of your presence, I am listening Lord
I am still, I am quiet, I am yours

Let your word speak to me, let your spirit draw near
I will obey the truth, that I hear

In the calm of your presence, I am listening Lord,
I am still, I am quiet, I am yours

There's a thirst in my soul, for your wisdom divine
I long for the peace and life that I find

In the calm of your presence, I am listening Lord
I am still, I am quiet, I am yours

I Call Him Love

Some called Him a prophet, some called Him a saint,
Some couldn't believe their eyes or the words He had to say
Some called Him crazy, some thought He was strange,
But I have felt His touch and I'll never be the same.

I call Him love, I call Him mercy,
I called Him out of my darkness and pain and He answered my need
I call Him love, I call Him healing
He is the one who has filled me with hope and restores life to me
I call Him love

Some call Him a mystery, a power without a face
Some feel He's a distant father that they could not embrace
But I have felt His touch and I'll never be the same

I Give You Jesus

If the ship of your life, is tossing on the sea of strife, you need someone
If you feel so all alone and your house is not a home, you need someone
If it seems life isn't fair and there's no one left to share
All those lonely days and nights, when things don't turn out right
And you want someone to care and someone to just be there, you need someone

I give you Jesus, He's the peace that passes all understanding
I give you Jesus, He's the perfect love that casteth out all fear
I give you Jesus, He's the water that you drink and never thirst again
I give you Jesus, my friend, I give you Jesus

If the pressure all around, keeps your spirit to the ground, you need someone
If your body is in pain and your health you can't regain, you need someone
If it seems that you have tried with all the strength you have inside
And it seems that you have failed, remember on the cross He nailed
All the bitterness and grief, to give you peace and sweet relief,
He is that someone that you need

Great Is Thy Faithfulness

Great is thy faithfulness, O God my Father, there is no shadow of turning with Thee.
Thou changest not, Thy compassions, they fail not,
As Thou hast been, Thou forever will be.

Pardon for sin and a peace that endureth.
Thy own dear presence to cheer and to guide.
Strength for today and bright hope for tomorrow
Blessings all mine with ten thousand beside.

Great is thy faithfulness, great is thy faithfulness
Morning by morning new mercies I see
All I have needed thy hand hath provided
Great is thy faithfulness Lord unto me

Jesus Jesus how I trust Him, how I've proved Him or and or
Jesus, Jesus, precious Jesus, oh for faith to trust Him more.

Hero

There's a hero, if you look inside your heart, you don't have to be afraid of what you are
There's an answer if reach into your soul, and the sorrow that you know will melt away

Then a hero comes along with the strength to carry on,
And you cast your fear aside and you know you can survive
When you feel like hope is gone, look inside you and be strong,
And you'll finally see the truth, that a hero lies in you

It's a long road when you face the world alone, no one reaches out a hand for you hold

You can find love if you search within yourself and the emptiness you felt will disappear

Lord knows dreams are hard to follow, but don't let anyone tear them away

Hold on, there will be tomorrow, and in time you'll find a way.
