

Biographical Sketch

Kathy Wampler grew up in Louisiana before moving to Texas to be in full time ministry. Her parents are David and Frances Allen, who pastor in Natchitoches, Louisiana. Having grown up in a pastors home, she was given a wonderful foundation that has supported her throughout her life. Her strongest desire is for God to transform people through her message. She ministers through a combination of singing and speaking. Kathy realizes that a song with a great message can change the heart of the listener, and the right word spoken at the right time can draw people to Christ.

Kathy has been married to David since 1993 and they make their home in Fort Worth, Texas. Kathy is a credentialed minister and David is a drummer. They travel full time across the country with Dave Roever Ministries sharing their music and the gospel of Christ in concerts, television programs, and conventions. Kathy also ministers independently from Roever Ministries. She has had the wonderful opportunity to minister in a variety of different situations. She has keynoted Ladies Conferences, as well as provided their special music, ministered in concert settings, preached in Sunday services, and taught seminar classes.

Ministry & Travel Information

I hope this packet helps you get to know a little about me. I would love to partner with you to reach your congregation, ladies group, or whatever the need may be. Please call if you have any questions or if there is anything I can help you with. Below is a little bit of information that will help you as you prayerfully decide what God would have you do.

-I travel on a love offering basis.

-I am a credentialed minister and a vocalist. Typically when I do a service, I enjoy singing and speaking, incorporating the two together. However, if you prefer just one or the other, feel free to let me know and I am happy to do whatever you are wanting for your congregation.

-My husband travels with me and assists with my sound. He usually runs my sound with the assistance of the church sound man.

-If lodging is needed, only one room would be necessary. Preferably a room with a King bed.

-Travel Expenses - the travel expense is determined based on that particular event and our mode of transportation. If we drive, then reimbursement for fuel, food, and any lodging incurred to get there would be great. If we have to fly there, then an airline tickets would have to be purchased. We never want travel to be a hindrance to having us, so please let us know what you can or cannot do. We will do everything we can to make it happen.

-I have tapes and CD's to make available, so we need a table in the foyer to display those items.

Again, if you have any questions, please call, write, or email. Thank you for your consideration.

What Pastors and Leaders are saying:

Kathy is my friend. The anointed talent and discernment of God's Spirit in her is more than a ministry . . . it is a lifestyle. I have mentored Kathy for many years and suspect that her gifts, so evident today, are only a shadow of her future.

It is quite evident that the Holy Spirit rest upon Kathy as she ministers in song and the Word. Kathy ministers in such a way that it leaves no room for doubt as to the love our Heavenly Father has for us.

Kathy's love and dedication to the Lord is demonstrated through her ministry in song and the Word, and the Spirit in which she delivers it. I believe that Kathy is truly anointed of the Lord and would highly recommend her without reservation as a vocalist or minister of the Word.

Our entire congregation was blessed by her message. She is an anointed communicator that will challenge and bless all who hear her. The best part about Kathy, is that she is "real". I fully recommend her for ministry in any venue.
